SuperScrape™ Impressions

- **No Art Fees - No Set-up Fees - 3-5 Day Production**
- Highly effective in preventing snow, rain, or ice-related slip and fall accidents.
- Certified "high traction" by the National Floor Safety Institute.
- Circular surface cleats provide superior slip resistance and scraping action, while successfully trapping rain or snow.

Waterhog™ Inlay

- **No Art Fees - No Set-up Fees - 3-5 Day Production**
- Highly absorbent fabric holds up to 1.5 gallons of water per square yard, keeping feet and floors safe and dry!
- "Water Dam" border and rubber-reinforced surface nubs trap rain and snow, keeping it below foot level.
